Garden

If anyone else has some free time to help keep the growing garden tidy please come and tell us. This is a great resource for the school and we don't want to lose it. The garden will be used for a growing topic but is desperately in need of a weeding! Hope you can help!

Can I just remind you that **holidays in term time are not authorised.** And may result in a **fixed penalty notice** being served. Please see recent attendance newsletter for further information.

If you have any worries please come and see me in school, we're here to help!

Many thanks!
Keith Butler

You **MUST** complete an application either online at www.dudley.gov.uk/admissions or by completing an application form from your home local authority by **15 JANUARY 2018**. You can include five school preferences on the application; there is nothing to gain by only putting one preference.

Starting Secondary School in September 2017

Why not apply for a place online?
If your child is due to start secondary school in 2018 then you will have to apply for a school place before 31 October 2017.

You **MUST** complete an application either online at www.dudley.gov.uk/admissions or by completing an application form from your home local authority. You can include six school preferences on the application; there is nothing to gain by only putting one preference.

The online system will be available 24 hours a day, 7 days a week from 1 Sept 2017 until the closing date for applications on **31 OCTOBER 2017**.

You should not assume that your child will get a place at a secondary school without you having to apply, even if you have an older child already attending the same school.
