

IMPORTANT INFORMATION

*Squirrels 1/2B—Class teacher Mrs Brown
(support staff—Mrs Harris, Mrs Karimi, Mrs Johnson)*

*Moles 1/2D-Class teacher Mrs Dhaliwal
(support staff - Miss Webb, Mrs Hadland)*

*Badgers 2W— Class teacher Mrs Williams
(support staff -Miss Tait. Mrs Francis also teaches Fridays in Badgers class to allow Mrs Williams to carry out Assistant head teacher duties)*

P.E Days

Due to current guidelines only one class will have an afternoon of P.E. with a P.E coach. This will be on a rota basis. For the Autumn term this will be Mrs Browns' class. The other classes will have P.E. with their class teacher.

Squirrels ~ Thursday

Moles ~ Friday

Badgers ~ Friday

Please remember no jewellery should be worn on P.E days. Please remove earrings before coming to school.

Other important information

Safeguarding leads—Mr Butler, Mrs Lister and Mrs Webb

Chair of Governors—Jo Marchant

Spellings

Badger class 2W—Spellings are given out on **Thursdays** and tested the following **Thursday**.

Squirrels 1/2B and Moles 1/2D—Spellings are given out on **Fridays** and tested on the following **Friday**.

School dinners

All of KS1 are entitled to a free school meal which needs to be ordered via the School Money app. Otherwise children can bring sandwiches from home. Please also send children with a water bottle filled with water.

Praise assembly

Assemblies will now take place in classroom bubbles and certificates will still be sent home with each child who receives the award.

For the latest information keep an eye on our school website and Facebook page.

Ashwood Park Primary School

YEAR ONE & TWO

Curriculum Newsletter Autumn 2020

What's Happening This Term?

Maths

All children will be using addition and subtraction and working in measures, shape and data. Year Two will also be starting to learn their times tables. Please help at home practicing 2, 5 and 10's!! There is online support for times tables at home through using Times Table rock stars and Numbots. This part of our regular homework.

English

All children will cover a variety of genres including story writing, poetry, instructions and explanations. Our books will all be focused on our topic of "Fire! Fire!"

Homework

Homework is weekly class spellings and use of times tables rocks stars or Numbots. We also ask that the children read weekly at home. Please encourage your children to log onto Bug Club to support them with their reading. Reading book will be changed weekly in school

Phonics

We follow the DfE Letters and sounds document through the programme of Jolly phonics. Look out for useful information and videos on our website.

Irresistible Learning

This term we will finding out about our topic "Fire! Fire!" All subjects will follow this theme. The children will experience a very exciting and creative curriculum!

History—The children will learn all about firefighters in the past and The Great Fire of London. They will study the life of Samuel Peyps.

Art and D.T - The children will create pictures and models of Tudor houses using practical fine motor skills including cutting, sticking, painting and modelling.

Science -Year 1- Animals including humans. Year 2 -Animal life cycles and habitats.

Computing Year One: online safety, logging on and Bug club. Year Two: using the keyboard, internet safety and coding.

All children will be encouraged to use their ICT skills in all areas of the curriculum.
