Article 28

Every child has the right to an education

Dear Parents, Carers and Friends

Uniform

We are still having children turning up for school in items that are not on our uniform policy, (which can be accessed on the school website.) Please support us in ensuring the children are dressed appropriately. Correct PE kits MUST be in school at all times.

COVID UPDATE

Cases are rising and Wordsley has been identified as an area of concern. Please stick to the guidelines, get tested and continue to wear a mask when on school premises. Thanks.

As One Project

We are supporting Dudley's "As One" project to support Community Spirit. You can get involved at www.as-one.uk/dudley

Parent Governor Election

We have two vacancies for parent governors, if you wish to be considered forms are available from the school office. These have to be returned to govelection.cs@dudley.gov.uk

Tree Tots Ashwood Park Primary School Toddler Group

Hi Everyone!

We hope you are all well. We are getting lots of enquiries about our lovely baby and toddler group, but unfortunately due to the current situation we aren't able to open yet. We are missing you all and really hope that things continue to improve, so we can look into opening safely in the Autumn Term. Keep safe and well.

Holiday Activity and Fun in Dudley (HAF)

Important information for children entitled to benefits assessed Free School Meals: Registration closes on 14th June to access holiday activities which also include food. There are currently **NO plans to provide FSM Vouchers over the 6 weeks' holiday** and the REVIVE project that over 30 schools have benefitted from over the past 12 months will not be offering a service. DFE are directing Local Authorities to promote HAF as the only free option for families to receive activities and food.

Please check your emails as details about Holiday Activity and Fun in Dudley (HAF) have been emailed to you.

Register your child at <https://holidayactivitiesindudley.com/register-your-child/>

Internet Safety

Due to a number of requests from parents the web link below shows you how to set parental controls on all devices at home. This may help you monitor what your children are looking at online.
