Covid-19 update

As you know, the government has announced an easing of covid-19 measures from 19th July 2021 but expects the wearing of face coverings to be continued in indoors spaces. With current cases of covid-19 rising rapidly in the borough and doubling weekly, we have been asked by the local authority

to keep all current measures in place until the end of this term. Please be aware that, in line with current guidance, the need for isolation when advised still remains. This will not change until 16th August 2021. When the new academic year begins in September, we may need to temporarily reintroduce some measures to control cases and outbreaks in local areas. This will be on the instruction of the borough's Director of Public Health and we will of course communicate any outbreak management plans to you as soon as possible. We hope we can count on your continued support whilst we remain in the grip of the Covid-19 pandemic.

End of Term

The last day of term is Wednesday 21st July. Normal finishing time. Thursday 2nd & Friday 3rd September are INSET days. The children return on Monday 6th September.

Please do not tailgate, **do not use your mobile phone while driving on school premises**, remember the speed limit is **5mph**. If you are driving on site please be mindful of others.
