Changes to measures and guidance for managing COVID-19 in education and childcare settings from Friday 1 April

- adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend

- adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice is 3 days

Early Years News

What a lovely Easter week! The children have made lots of Easter things at school this week including cards and crafts. We were so impressed with the wonderful bonnets you made - thank you very much for all your hard work making the beautiful hats. We enjoyed parading and dancing in them and showing them to the Easter bunny! Today, the children have had a road safety team demonstration which they enjoyed - learning how to keep safe whilst out and about. We wish you all a lovely Easter break and look forward to seeing you on Monday 25th April.

Key Stage 1 News

We have had a wonderful week this week celebrating Easter. The children all looked fabulous in their bonnets, and we would like to say a huge thank you to everyone at home who helped them. It really was a lovely day of celebration, including a visit from the Easter Bunny! We hope you all have a lovely break and when we return to school, we will be starting all of our new topics in all of our subjects. Keep going with your Reading Challenge over Easter and as always KS1 would like to thank you for all of your support this term.

Key Stage 2 News

This week, the children in Key Stage 2 have been excited to watch the building of our new outdoor classroom. We can't wait to start using it. The children have also worked really hard to produce some great egg designs for our Easter competition. A huge 'well done' to all of them and 'thank you' to our families for their support. We hope you have a great time over the next two weeks.

When we come back, the children in Year 4 will be starting to think about their Multiplication Tables Check. Please check your emails about an information presentation to parents on 27.4.22.
Have a great holiday!

RBD News

We have had a wonderful term with lots of great successes. The children continue to amaze us all! I wanted to say well done to Ted for his hard work with his speech this week and to Sienna for working so hard with her tests! I think the children (and staff!) have all felt tired and that is down to all the hard work they have been doing. Enjoy the Easter holidays – have a well-deserved rest if you can and we look forward to seeing you back on Monday 25th April.
