Toddlers News

Tuesday 24th May will be our Forest school session. Meet in the hall at 9 a.m. dressed for the outdoors. The session costs £7.50 for adult and one child and £4 per additional child. This includes refreshments, campfire and forest activities and crafts.

Early Years News

Reception have been busy watching their tadpoles grow and learning all about them. In Maths we have learned about even and odd numbers and the children enjoyed drawing some odd pictures!

Nursery enjoyed a super trip the library on Thursday! The Nursery session was held at Wordsley library where they listened to a story about a very lazy ladybird and did lots of lovely activities with their parents. It was brilliant that so many children joined the library and can now borrow even more lovely books! Reading to and with your child is so important for development and impacts on all learning. Thank you to all involved!

Key Stage 1 News

In Key Stage 1 this week we have been finding out more about the history of Ashwood Park and creating our own trail around School for Geography. We have also started to design our Ferris Wheels that we are going to be making next week in DT. Some of the Children in Year 2 have been working very hard on their SATS this week and have done a wonderful job and really tried their best, well done! Next week we are going to be working on instructions and creating a Lighthouse Sandwich!

Key Stage 2 News

This week Years 5 and 6 have been visited by a theatre group. They put on a funny, but informative performance about staying safe and our great children responded really well to it. The performance and workshop supported our RSE work in school really well. Children were also reminded of the number for childline (0800 11 11).
