### Nursery Trip to Dudley Zoo

Nursery had a lovely time at Dudley zoo on Thursday. Thanks to the staff and all the parents who went!

### Sun Protection

Please could you apply sun cream to your children before they come to school and send them with a hat and their water bottle.

### PE Kits

We are still having children without PE Kits in school. This is a statutory subject and PE kits must be kept in school. Thank you.

### Lost Property

We have dozens of jumpers in lost property that are un-named. Please ensure uniform is labelled clearly.

### Covid

Cases in school are starting to rise again. Please continue to be vigilant and follow the guidelines. Thanks.

## PRAISE AWARDS

Children who gained badges and certificates deserve our special congratulations:

## WELL DONE ALL !

A big thank you to all of you who are getting stuck in to Beat the Street, walking, running, cycling and scooting between Beatboxes. We're off to a brilliant start which hopefully we'll be able to maintain. We are currently 1<sup>st</sup> on the Brierley Hill Schools leaderboard and 4th overall! Keep your eye out on the map to collect gems and earn yourself extra points! Why not go to the Netherton Park Fun Day and scan your card there to get triple points and be in with the chance of winning a lucky box prize.

## School Term Dates

### 2022 Summer Term

Term Ends Thurs 21st July

### Reminder

Please do not bring trading cards to school and do not ride scooters within the school grounds.

Thank you

### Ben's numbers

Ben has written a list of different whole numbers. The digits of each number add up to 5. None of the digits is zero.

Here is one of Ben's numbers.

23

Ben has written all the numbers he can think of. How many different numbers are there in his list?

Write all the numbers in order.

## Maths Challenge

Make it harder .....

- Introduce 3, 4, 5. etc digit numbers,
- Say that the digit sum is larger,
- Say that the digit sum is in a range, eg. 12 - 24,
- Give the answers with 1 or more missing - what are the missing solutions? What is the total being made?

## Dinner Information

All dinners must be booked through School Money. Dinners must be booked on School Money the day before they are needed.

If you are having problems saving your child's menu choices please search for school money using Google and login through that link rather than through the app.

Thank you

**Key Stage 2 News** This week Years 5 and 6 have been visited by our School Nurse. They have been learning about 'growing up' as part of their RSE work. The children have been very sensible and respectful. Please let us know if you need any further support and if the children have any further questions.

Many of the children have been working hard on their final tests of the year and have shown a great maturity towards their education. Well done!

The Year 6 children have continued to work hard on their final production and the rehearsals are coming along nicely. Please return any final ticket letters for our performances on the 12th and 13th of July. Next week, many of the children in Year 6 will have their transition days to their secondary schools. We hope they have a great time. If for any reason they are unable to attend, please make sure you report absences to both schools' offices.

**Early Years News** We have had a lovely week in Early years. Nursery had a great time on their trip to the zoo and the weather was perfect! In Reception we have been reading our BookStart book 'I Am a Tiger'. The children have been basing their Literacy on it this week and have all come home with a copy of the book.

**Treetots News** Next week on Tuesday 5<sup>th</sup> July we have our Forest School session. The theme will be based on the book 'The Gruffalo.' Come along for some time in nature with crafts, snacks and activities in the forest school. The price is £7.50 for adult and child. We meet in the hall at 9a.m. on Tuesday. The following week on 12th July it is our last toddler session of the academic year! We will be having a party at the end of the session with party food and games.

**Key Stage 1** This week in Key Stage 1 we have been making sculptures out of clay and junk modelling. The children had great fun making their creations and were very creative. We have also been finding out about the past of Ashwood Park Primary by asking an expert - Mr Butler! The children wrote questions about what the school was like in the 1990's and then interviewed him to find out the answers. Next week we will be working on instructions and looking at aerial photographs of the school.

## RBD News

Many of the children have worked really hard on their assessments this week. We are very proud of how hard they have worked! Well done!

**Dates for your diaries:** The Year 6 children have their transition days at their new secondary school coming up. Have a wonderful time and we can't wait to hear all about it!
