Key Stage 2 News

It's been a very busy week in Key Stage 2. All of the children were very excited to watch the Year 6 leavers' play earlier in the week. They sat, watched and listened superbly! The Year 6 children very much enjoyed all of their performances. They have put a lot of effort into this and we are very proud of them. In Year 5, the children went on a local area walk to see the canal and the River Stour. They had a great afternoon. The children in Years 3 and 4 have been practising their sketching skills this week by drawing teddies and toys.

Year 6 last day.....

The children have been asking if they can get their shirts signed on the last day. We would like to suggest that they wash their PE T-shirt and bring this in, in a separate bag for signing on the last day. The children will not be allowed to wear their signed shirt as their uniform on the last day so they must bring their choice of shirt in separately

Early Years News

In Reception we have had a great week learning about minibests. We have been hunting for them in the environment, reading and writing about them and looking at their patterns. Nursery had a super pirate day and enjoyed some lovely activities!

Treetots News

Toddlers had a super last party day, we will be back in September, please look out on our Facebook page and newsletter for the start date.

Key Stage 1

This week in Key Stage 1 we have been working on The Snail and the Whale. The children have created lovely descriptions of places from the story and some children had a go at painting one of the images from the book using watercolours! They have also been able to watch the year 6 production, which they really enjoyed and can't wait to be part of when they are in Year 6. Next week the children are going to be meeting their new class teacher so they are very excited!

RBD News

I can't believe we are nearly at the end of another school year. It is been fabulous to witness how the children are developing with their confidence, independence and their learning. Next week the RBD transition booklets will be sent home so that you know who your child will be supported by next year.

Can we remind parents to ensure children are dressed appropriately for the hot weather on Monday and Tuesday. Please make sure they also have their water bottles with them.

Sign of the week: Commonwealth Games

Please check the Ashwood RBD Youtube channel for our video about the Commonwealth Games over the weekend.
