### Science Competition

On Thursday 8th June, 8 children from year 6 went to a STEM competition at the Bluecoat School in Harborne. They were a credit to the school, worked really hard, had lots of fun and did a fantastic job! Here's what they had to say about the day:

"We were in a STEM competition against other schools. The theme was flooding and we had to create a model of a house that could withstand a flood. We had to plan our model before constructing it and we had to give reasons for the features we added. Later on, they tested it to see if our models would be effective under rain from a watering can and a flood from the hosepipe. It did! We didn't win but we still had a great day and had lots of fun."

### KS1 News

This week in Key Stage 1 we have been practicing our sports day races ready for next week! The children are very excited to take part and can't wait to show off their skills.

We have also been learning more about Thomas Webb and his life, completing a timeline and comparing what houses were like long ago with today.

Next week is Health Week and we look forward to learning about teeth, a balanced diet and doing the Rainbow Run!

### KS2 News

In **years 5 and 6**, the children have continued to enjoy their Science, thinking about electricity. They have made a range of different circuits over the last few weeks and have especially enjoyed making a scribble bot! The **year 6** children have started to receive visits from their new secondary schools and have also begun a unit of work in school to support them with their transition. In **year 4**, the children have been working hard to complete their MTC's. Well done year 4! Also, in **year 3 and 4**, the children have been learning more about time. You can help your child to practise this really easily at home by asking them the time and looking at a range of different clocks.

### Sun Cream

Children are welcome to bring their own sun lotion into school over the coming few weeks. Please ensure that their **lotion is in a labelled bottle**. Please speak to your child about only using their lotion for themselves. Children are not permitted to share lotions, due to any potential allergic reactions 

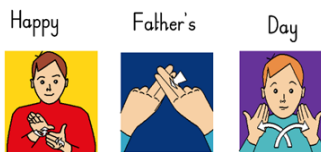

### RBD News

The children had a wonderful day at The Sycamore Centre on Monday. It was so lovely to see the children meet with their friends from Hargate and be reunited with those from Crestwood!

Mrs Straw would like to thank the RBD staff for their hard work and parents for their support while she has been off work.
