KS1 News

This week in Key Stage 1 we have been working on our textile puppets in Design Technology. The children have investigated the best way to stick two pieces of material together and used this to help them with their design. They have also started reading our new story 'Be more Bernard'- which is a tale about a disco dancing rabbit who learns to love his differences. We have created story maps and acted out the story in small groups.

Next week the children will be writing their own version of the story and thinking of their own interesting characters.

This week we have all participated in a live lesson linked to The Breakfast Club Adventures books by Marcus Rashford. The children enjoyed generating their own story ideas, using the prompts given by the presenter. You can find The Breakfast Club Adventures books at school or at the library.

Our Year 6 children are thinking about transitioning to secondary school soon and have been sharing their feelings about this in our transition lessons. Most of them have their transition days next week. Ask your child's class teacher if you do not know when this

In Year 5, the children have watched a short story about a mysterious doll in their English lessons and have been planning their own stories.

Our Year 3 and 4 children have been thinking about news reports in English and have been practising asking and answering good reporter-style questions.
