Article 28 Every child has the right to an education

Dear Parents and Guardians,

School Council Hickory's Visit

On Wednesday morning, the School Council enjoyed a fantastic visit to Hickory's Restaurant in Wall Heath. The children were a real credit to the school, showing excellent behaviour and enthusiasm throughout the trip. A big thank you to Rebecca Hadland and the team at Hickory's for inviting us again and making us feel so welcome. We truly appreciate your continued support!

Canal Barge Reward Trip

Thanks to everyone who accompanied us on the canal barge trip to the Bonded Warehouse and back on Friday night. The pumpkins looked amazing!

Please can we have your donations for the Black Country Food Bank by **22nd October**.

Diwali

We are acknowledging the upcoming celebration of Diwali, the Festival of Lights which is an important religious and cultural event for some of our families. We support our pupils in observing significant religious festivals. If your family observes the main day of Diwali on Mon Oct 20th, you may request a day of absence for religious observance. The absence will be recorded as "R" on the register to ensure the absence is authorised. Please complete a leave of absence form from the office. We wish all our families a joyful and peaceful festival. Shubh Diwali!

Mike Wood MP will be in school on Friday 24th October to deliver an assembly to the children. We look forward to welcoming him into school.

Early Years

Just one week to go until the end of our first half term in Reception! The children continue to do brilliantly in Early Years, settling in and working really hard. In Phonics we have begun reading and writing simple CVC words! Children have also started to learn tricky words (words you can't sound out phonetically).

In Maths we have been creating repeating patterns.

Thanks for all your support!

Tree Tots Toddler Group

We're really sorry that our toddler group isn't able to run right now. We know how much the children (and grown-ups!) enjoy coming together, and we're continuing to look for solutions. Thank you for your patience and understanding—we truly hope to be back up and running, and we can't wait to see you then.

KS1 News

This week we have been creating our own poems about animals. We have used exciting vocabulary and tried to give clues to the reader to enable them to guess the animal.

The children have also been looking at the maps in Geography and matching the features to the symbols that represent them.

Next week we will be creating our own maps for some well known fairy tale characters. We will also be looking forward to the Monster Mash!

RBDC News

What an amazing week we have had in the RBDC.

In Acorns, we have been introduced to a new story. We have been looking at the Hungry Caterpillar. We have enjoyed trying all the foods the hungry caterpillar eats. We enjoyed the fruit but not the pickle. Yuck!! We have also continued investigating different job roles. This week's focus: police officers.

Conkers Class have been looking at how to edit and improve their own writing. We have been looking at how we change mistakes and make our work better.

We made poppies as part of History ready for Remembrance Day.

This week's signed story is the 'Hungry Caterpillar'. Please share with your child.

KS2 News

This week, our Years 5 and 6 classes enjoyed their annual visits to [Wordsley Green Library](#). It was wonderful to see the children exploring the wide range of books and reading for pleasure. Don't forget to return any borrowed books by 10th November! During their trip, they also carried out some geography fieldwork, counting different types of vehicles in two locations and comparing their enthusiasm.

Meanwhile, Years 3 and 4 have been continuing their exciting work on Antarctica and Ernest Shackleton. Inspired by his famous expedition, they planned their own adventures around school, using their understanding of the eight compass points to navigate.

Blast Off into World Space Week!

This week, Mrs. Bunn took us on an amazing journey during her assembly to celebrate World Space Week! The pupils were super excited to learn all about this year's theme: Living in Space.

To keep the space adventure going, we've set a fantastic competition!

Pupils can become space explorers by researching one of these famous astronauts who have lived on the International Space Station:

Tim Peake

Yuri Malenchenko

Chris Hadfield

They can be as creative as they like in how they present their research — whether it's a poster, a model, a story, or something else out of this world!

And for Reception children, there's a fun colouring competition all about Tim Peake!

Dudley Parent Carer Forum Annual Survey 2025

Dudley Parent Carer Forum are currently running their annual survey regarding SEND (Special Educational Needs or Disabilities) services in Dudley.

The survey is designed for parent carers of children/young people with SEND between the ages of 0-25 and living in Dudley.

The results are completely independently evaluated by the parent carer forum.

The survey takes around 10-15 minutes to complete and enables us to capture the true feelings of parent carers in the borough. The results of this are vital to our work and to ensure that we focus on the things that really matter to you.

Body safety matters

Helping your child understand boundaries and personal safety

Keeping children safe starts with conversation

Talking about body safety can feel uncomfortable – but it's one of the most powerful ways to protect children. Children who understand their bodies, boundaries and rights are more confident and better equipped to speak up if something feels wrong.

You don't need a big formal talk – short, everyday chats work best.

Here are some simple conversation starters you can use:

- “Do you know what parts of your body are private?”
- “If someone made you feel uncomfortable, who would you tell?”
- “Has anyone ever asked you to keep a secret that made you feel funny or unsure?”
- “You're allowed to say ‘no’ to hugs or kisses, even to family – how do you feel about that?”
- “What would you do if someone touched you in a way you didn't like?”

Use natural moments (e.g. bath time, getting dressed, bedtime stories, a walk in the park) to bring up the topic gently. Keep your tone calm and reassuring. The goal is to help children feel safe, heard and empowered.

Reassure them: “You can always talk to me about anything – I'll always listen and help.”

Don't forget the online world

Even at primary age, many children play games or watch content online. It's important they know that body safety rules apply online too.

- Teach them never to share photos of their body, especially private parts.
- Make sure they know: if anyone asks them to do something that feels odd, secret or confusing online, they should tell you straight away.
- Talk about how some people online might pretend to be children when they're not.
- Use privacy settings and supervise young children during screen time.
- Remind them: “If something online makes you feel uncomfortable or unsure, it's never your fault. Just come and tell me.”

How you can support at home

- 1) Use everyday moments to talk about safety.
- 2) Read books together on body safety.
- 3) Practice naming trusted adults they can go to if worried.
- 4) Reassure them: they will never be in trouble for telling the truth.
