Early Years

What a lovely last week of term! Reception walked to the Glass Cone on Tuesday and the children had a lovely time! Super behaviour, walking all the way there and back and making lots of lovely crafts whilst we were there! We also met Mrs Claus who read us a story. Nursery enjoyed a craft session at school with their parents, thanks to all that attended. We have been very busy making cards and calendars, please check book bags to find them. Finally a big thank you to all our families, have a wonderful Christmas and a very happy, healthy and safe new year.

Tree Tots Toddler Group

We're really sorry that our toddler group isn't able to run right now. We know how much the children (and grown-ups!) enjoy coming together, and we're continuing to look for solutions. Thank you for your patience and understanding—we truly hope to be back up and running, and we can't wait to see you then.

KS1 News

This week we have been creating our Christmas cards and calendars. The children have been very creative using a range of painting techniques to make them look colourful and attractive.

We have also had the opportunity to listen to the Key Stage 2 children perform their wonderful songs from the carol concert. They really did sound amazing!

We would like to take this opportunity to wish all of our families a happy and healthy Christmas and we will see you in the new year!

TT Rockstars

1. William 3/4R
2. Joby-Jai 4H
3. Muhammad 3/4R

Well done!

Thank you to those children who have been practising their times tables on TT Rockstars. Please log in regularly to play.

Good Luck to every-one for next time!

RBDC News

What another fantastic Christmas-filled week we have had in the RBDC!

In Acorns this week, we have continued our work on our number bonds to ten before stating lots of Christmas activities.

This week, Conkers Class have finished their topic of 'Charlie and the chocolate factory'. We have made our own chocolate bars, and it was fantastic. We each made our own flavoured chocolate. We had a fantastic time!

Year 1/2 PUDs this week we have finished investigating how people hear music. We have had great fun playing with different musical instruments.

Year 3/4 PUDs this week we have been looking at the difference between BSL and the ISL. We were very surprised with how many differences there was!

Year 5/6 PUDs this week we have been looking at the difference deaf role models and how we can be role models to younger deaf children.

Star of the Week this week is Noah for trying very hard to recall his number bonds.

This week's signed video is all about 'Christmas - All around the world' this is to highlight fantastic deaf role models. Please share with your child.

Sign of the week:

Maths Problem

Calculate the fraction of the colours on each present.

KS2 News

All of our KS2 classes have fully embraced the festive spirit this week. The children have enjoyed making Christmas cards and calendars, singing festive songs and celebrating together at their class parties. A particular highlight was our KS2 classes performing their church songs one final time for the KS1 children. This much-loved tradition is always eagerly anticipated and helps to bring a wonderful sense of festive cheer across the school.

Our KS2 choir proudly performed at Hickory's Smokehouse this week. It was fantastic to see the children sharing their talents and representing our school within the local community.

After such a busy and joyful end to term, the children are now looking forward to a well-deserved rest. From all of us in KS2, we wish you a very Merry Christmas, a Happy New Year and an enjoyable two-week break.

PE

Years 3/4 - Mon (bring your kit) and Thurs (come to school wearing your kit)

Years 5/6 - Fri (bring your kit) and Wed (come to school wearing your kit)

When the children come to school in their PE kit they must wear their yellow PE top, green shorts / **black joggers** and their green Ashwood Park jumper or cardigan. Hoodies and gilets are **not** permitted.

Dudley HAF Winter 2025 What's On Guide

The **Holiday Activities and Food (HAF) Programme** is a government-funded initiative that provides low-income families with funded holiday activities and a meal in the school holidays. Over the Winter holidays, children are allocated 4 credits to book 4 funded sessions.

Who is eligible?

In line with the Department for Education's guidelines, HAF funding is primarily allocated to school-aged children (Reception to Year 11) who receive **benefits-related free school meals**. A small number of discretionary places are available for children who are not eligible for free school meals but are considered vulnerable. However, as these places are limited, they are offered at the discretion of the local authority and cannot be guaranteed.

Further information and the online form to register can be found on our website:

[Dudley Holiday Activities](#) | [Children's Activities](#) | [Dudley HAF](#)

Many of our providers are also offering paid places alongside the HAF-funded places, for children not eligible for HAF. These providers can be contacted directly for further information – all details in the What's On Guide

Please can you pass the link for the What's on Guide to all of your Free School Meal eligible families. Please note this does **NOT** include the **Universal Free School Meals** that all children in Reception, Year 1 & Year 2 receive.

Children eligible for **Benefits-related Free School Meals** must first register with the Dudley Council FSM team to ensure eligibility.

Body safety matters

Helping your child understand boundaries and personal safety

Keeping children safe starts with conversation

Talking about body safety can feel uncomfortable – but it's one of the most powerful ways to protect children. Children who understand their bodies, boundaries and rights are more confident and better equipped to speak up if something feels wrong.

You don't need a big formal talk – short, everyday chats work best.

Here are some simple conversation starters you can use:

- “Do you know what parts of your body are private?”
- “If someone made you feel uncomfortable, who would you tell?”
- “Has anyone ever asked you to keep a secret that made you feel funny or unsure?”
- “You're allowed to say ‘no’ to hugs or kisses, even to family – how do you feel about that?”
- “What would you do if someone touched you in a way you didn't like?”

Use natural moments (e.g. bath time, getting dressed, bedtime stories, a walk in the park) to bring up the topic gently. Keep your tone calm and reassuring. The goal is to help children feel safe, heard and empowered.

Reassure them: *“You can always talk to me about anything – I'll always listen and help.”*

Don't forget the online world

Even at primary age, many children play games or watch content online. It's important they know that body safety rules apply online too.

- Teach them never to share photos of their body, especially private parts.
- Make sure they know: if anyone asks them to do something that feels odd, secret or confusing online, they should tell you straight away.
- Talk about how some people online might pretend to be children when they're not.
- Use privacy settings and supervise young children during screen time.
- Remind them: “If something online makes you feel uncomfortable or unsure, it's never your fault. Just come and tell me.”

How you can support at home

- 1) Use everyday moments to talk about safety.
- 2) Read books together on body safety.
- 3) Practice naming trusted adults they can go to if worried.
- 4) Reassure them: they will never be in trouble for telling the truth.
