Article 28 Every child has the right to an education

Dear Parents and Guardians,

Thank you to all the parents who attended our Year 4 Maths Workshop last week. It was great to see so many of you and we hope you found the session useful.

We had our Annual Governor Day on Tuesday and our School Governors were able to talk to staff and children. The Governors were very impressed with the confidence of the children and thanked the staff for their presentations too.

We have a vacancy on the Governing Board for a Parent rep. If you would be interested, please contact the Office for an information pack.

Nut Allergy

We have a child in School with a severe nut allergy, please do not send any food that contains nuts into School.

Dinner Dates

Next week, the following staff will be in the lunch hall:

Mr Dimmock—Monday
Mrs Bunn—Tuesday
Miss Edwards — Wednesday
Miss Hartle—Thursday
Miss Benson—Thursday

It would be wonderful to see as many children as possible joining the teachers in enjoying a school dinner. We hope this helps make lunchtime a highlight of the day!

Early Years

Reception children have really enjoyed learning about their homes. They have created some wonderful junk model houses and enjoyed showing us their photographs and talking all about them. Thank you for your support!

In Maths we have been learning about numbers 6,7,8 in depth.

Tree Tots Toddler Group

We're really sorry that our toddler group isn't able to run right now. We know how much the children (and grown-ups!) enjoy coming together, and we're continuing to look for solutions. Thank you for your patience and understanding—we truly hope to be back up and running, and we can't wait to see you then.

KS1 News

This week we have been writing our own poems that include alliteration and rhyming words.

The children have also been working on multiplication and division in Maths and have started learning their 2, 5 and 10 times tables.

In design technology we have been continuing to make our Ferris wheels using an axel and A frame.

Next week we will be finding out how to write a diary entry!

TT Rockstars

1. Kobie 3/4R
2. Amaar 4H
3. Nancy 4H

Well done!

Thank you to those children who have been practising their times tables on TT Rockstars. Please log in regularly to play.

RBDC

What a lovely week we have had.

In Acorns we have continued focusing on our KIRF targets, adding and taking away one in Maths. We have also been recapping number bonds to 10. In geography, we have been exploring the local area of our homes using google maps.

Conkers have been designing their own superheroes in science. Their superpower is teaching people how to wash their hands. We had great fun testing out their advice by spreading germs (glitter) and trying to wash it all away.

PUDS Yr1/2 - This week we have been looking at the difference between BSL (British Sign Language) and SSE (Sign-Supported English).

PUDs Yr3/4 - This week we have been looking at the correct signs for different countries.

PUDS Yr5/6 - This week we have continued looking at how we can communicate with non-BSL users.

This week's signed video is all about 'Spring'. Please share with your child.

<https://www.youtube.com/watch?v=ig8WJRvYY6E>

Sign of the week: **Spring**

KS2 News

We have had a great week in School, with children working hard and showing real enthusiasm for their learning. Years 3 and 4 have been thoroughly enjoying their work on **Charlie and the Chocolate Factory**, using their senses to explore the Chocolate Room and inspire their own delicious descriptions. The quality of writing has been fantastic, with the text providing such a rich and engaging stimulus for imagination and creativity. Another wonderful book we are using is **The Explorer**. This week in Years 5 and 6, the children have been learning about the complex skill of using dialogue to move action forward in a story. They have risen to the challenge brilliantly, producing thoughtful and purposeful writing that shows real maturity and a deepening understanding of how authors craft compelling narratives.

PE

Years 3/4 - Mon (bring your kit) and Thurs (come to school wearing your kit)

Years 5/6 - Fri (bring your kit) and Wed (come to school wearing your kit)

When the children come to school in their PE kit they must wear their yellow PE top, green shorts / **black joggers** and their green Ashwood Park jumper or cardigan. Hoodies and gilets are **not** permitted.

Maths Problem:

Always, Sometimes, or Never?

- A factor is a multiple.
- All prime numbers are odd.
- In a fraction, the numerator is smaller than the denominator.
- A rectangle is a square.
- A circle is a polygon.
- Weight and mass are the same.
- A line graph shows discrete data.

FIA'S BUDDIES

Family ♥ Inclusion ♥ Acceptance

Supporting every child's Down
Syndrome journey and
celebrating their siblings!

FIA's Buddies was inspired by a beautiful family that at time of unknown, there was lack of readily available information and when there was information it was difficult to find a clear answer

A little background- this idea blossomed when one of Tash and Dan's beautiful daughters was diagnosed with Down syndrome and additional health related conditions. As family and friends we support Tash, Dan and their girls as much as we were able to but clearly saw that the information and support was not very forthcoming and/or difficult to find.

The names FIA represents the names of 3 beautiful girls, but also Family, Inclusion and Acceptance.

FIA's Buddies aims to support children experiencing the effects of Down Syndrome and their siblings age from birth to 18 within the United Kingdom.

The funds raised by FIA's Buddies is to bring a long-lasting difference to the lives of children with Down syndrome by the provision of resources for education, signposting to information and resources to support wellbeing and improve quality of life. By doing this encourage children to achieve their potential.

We have set up this go fund me to help kick start our community project of becoming a registered charity, in order to do this we must have an raised £5,000.

Body safety matters

Helping your child understand boundaries and personal safety

Keeping children safe starts with conversation

Talking about body safety can feel uncomfortable – but it's one of the most powerful ways to protect children. Children who understand their bodies, boundaries and rights are more confident and better equipped to speak up if something feels wrong.

You don't need a big formal talk – short, everyday chats work best.

Here are some simple conversation starters you can use:

- “Do you know what parts of your body are private?”
- “If someone made you feel uncomfortable, who would you tell?”
- “Has anyone ever asked you to keep a secret that made you feel funny or unsure?”
- “You're allowed to say ‘no’ to hugs or kisses, even to family – how do you feel about that?”
- “What would you do if someone touched you in a way you didn't like?”

Use natural moments (e.g. bath time, getting dressed, bedtime stories, a walk in the park) to bring up the topic gently. Keep your tone calm and reassuring. The goal is to help children feel safe, heard and empowered.

Reassure them: “You can always talk to me about anything – I'll always listen and help.”

Don't forget the online world

Even at primary age, many children play games or watch content online. It's important they know that body safety rules apply online too.

- Teach them never to share photos of their body, especially private parts.
- Make sure they know: if anyone asks them to do something that feels odd, secret or confusing online, they should tell you straight away.
- Talk about how some people online might pretend to be children when they're not.
- Use privacy settings and supervise young children during screen time.
- Remind them: “If something online makes you feel uncomfortable or unsure, it's never your fault. Just come and tell me.”

How you can support at home

- 1) Use everyday moments to talk about safety.
- 2) Read books together on body safety.
- 3) Practice naming trusted adults they can go to if worried.
- 4) Reassure them: they will never be in trouble for telling the truth.

WHAT CHILDREN NEED TO KNOW

 THEIR BODY BELONGS TO THEM Children should know that they are the boss of their own body. No one – not a peer, adult, friend or family member – has the right to touch them in a way that makes them feel uncomfortable.	 PRIVATE PARTS ARE PRIVATE Teach them the correct names for private body parts (e.g. penis, vagina, bottom). This helps remove shame and confusion – and makes it easier to report any concerns clearly.	 THE 'NO, GO, TELL' RULE If someone makes them feel unsafe or breaks a body boundary: Say “NO!” GO to a safe place TELL a trusted adult.	 SAFE AND UNSAFE TOUCH Help your child understand: <u>Safe touch</u> : hugs, holding hands if they want to <u>Unsafe touch</u> : touches that hurt, feel scary, confusing, or are kept secret.
