## Early Years

Early Years said goodbye to Mrs Monkton this week. She is leaving to commit more time to a family business and although we support her fully we will miss her very much! We would like to take this opportunity to say a big thank you for her care, dedication and hard work and we wish her every success for the future. Have a lovely half term everyone.

### Tree Tots Toddler Group

We're really sorry that our toddler group isn't able to run right now. We know how much the children (and grown-ups!) enjoy coming together, and we're continuing to look for solutions. Thank you for your patience and understanding—we truly hope to be back up and running, and we can't wait to see you then.

## KS1 News

This week we have been writing our own instructions about how to blow the perfect cloud. The children used all of the features they had learnt about and applied them to their writing. We have also been deciding where we would rather live- a hot or cold country? We have compared the UK to Kenya to help us to make our choice.

The children also enjoyed the glitter and glow disco and had a lovely boogie!

We hope you all have a lovely half term and will look forward to welcoming you back after the holiday.

### TT Rockstars

1. William 3/4R
2. Ella 4H
3. Freddie 3/4D

**Well done!**

Thank you to those children who have been practising their times tables on TT Rockstars. Please log in regularly to play.

## RBDC

What a busy, fun-packed week we have had in the RBDC!

Acorns have been looking at where we live and how we can stay safe. We have had a big focus of trying to be independent at home. In science, we have been exploring different life cycles focusing on butterflies and frogs.

In Conkers we have had some very special visitors. Fire Fighters. They came into school to explain what we need to do if we see a fire. We discussed how fire alarms work and why they are important. We learnt how to use 999 BSL and why it is important.

PUDS Yr1/2 — This week have continued discussing the roles people who support us do and why everyone's job is different. .

PUDS Yr3/4 - This week we have been looking at communication without spoken language.

PUDS Yr5/6 - This week we have been looking at the differences between one-handed and two-handed sign language.

This week's signed video is 'BSL 999'. Please share with your child.

<https://www.youtube.com/watch?v=KjhtH2cEXCo>

Sign of the week: **Fire**

## KS2 News

This week, our Year 4 children were visited by firefighters from West Midlands Fire Service, who delivered the engaging SPARKS workshop on fire, road and water safety. During the session, pupils learned what happens when you call 999, how to reduce risks, and what to do in an emergency. They practised key safety messages such as *stop, drop and roll* for fire safety, wearing seatbelts and not distracting the driver for road safety, and how to float in a star shape and know when to avoid water. A big thank you to the WM Fire Service team for supporting our children and helping them develop these vital life skills.

## PE

**Years 3/4** - Mon (bring your kit) and Thurs (come to school wearing your kit)

**Years 5/6** - Fri (bring your kit) and Wed (come to school wearing your kit)

When the children come to school in their PE kit they must wear their yellow PE top, green shorts / black joggers and their green Ashwood Park jumper or cardigan.

Hoodies and gilets are **not** permitted.

Ashwood Park uniform and PE Kit is available from [Totally Uniform](#) in Kingswinford.

## Parenting Workshop: Understanding Children's Behaviour

Brierley Hill Family Hub will be running a fantastic workshop at School to support parents and carers in understanding the reasons behind children's behaviour and how to respond positively at home.

**Date:** Tuesday 10th March

**Time:** 09:15-11:15

**Location:** Key Stage 2 Hall

This is a great opportunity to gain practical strategies, ask questions, and build confidence in supporting your child's emotional and behavioural development.

Please sign up by **Wednesday 4th March** using the link below:

## Maths Problem:

### Can You Solve This Puzzle?

$$\text{Heart} + \text{Heart} + \text{Heart} = 60$$

$$\text{Heart} + \text{Heart} + \text{Heart} = 30$$

$$\text{Heart} + \text{Heart} + \text{Heart} = 15$$

$$\text{Heart} + \text{Heart} - \text{Heart} = ?$$

# DfE Update:

The Food Standards Agency asks parents and caregivers to check their infant formula as Danone recalls certain batches of Aptamil and Cow & Gate branded infant formula

## Details of the recall

The Food Standards Agency (FSA) is asking parents, early years settings and other caregivers to check their infant formula against specific batches of Aptamil and Cow & Gate products listed in the Product Recall Information Notice published on Friday 6 February 2026.

As you might have seen in media coverage and on social media, Danone's recall has been issued due to potential cereulide contamination, which can cause illness including vomiting and stomach cramps. The issue only affects the batches listed in the [recall notice](#), in addition to the product included in Danone's [earlier recall on 23 January 2026](#).

The FSA's advice to parents and carers is that if they have any of the affected products, stop using them and switch to an alternative formula. If formula was prescribed, they should speak to a pharmacist or doctor before changing. If they have recently fed the formula to their baby and are concerned about symptoms, they should contact their GP or call NHS 111.

## **Additional recalls**

This follows recent [recalls from Nestl?](#) of SMA infant formula products due to the same contamination issue.

The FSA have published the following:

[Product Recall Information Notice](#) detailing the further recalled batches of Danone infant formula product  
[our infant formula recalls page](#) providing a full list of recalled products and the latest advice

## FIA'S BUDDIES

Family Inclusion Acceptance  
Supporting every child's Down  
Syndrome journey and  
celebrating their siblings!

FIA's Buddies was inspired by a beautiful family that at time of unknown, there was lack of readily available information and when there was information it was difficult to find a clear answer

A little background- this idea blossomed when one of Tash and Dan's beautiful daughters was diagnosed with Down syndrome and additional health related conditions. As family and friends we support Tash, Dan and their girls as much as we were able to but clearly saw that the information and support was not very forthcoming and/or difficult to find.

The names FIA represents the names of 3 beautiful girls, but also Family, Inclusion and Acceptance.

FIA's Buddies aims to support children experiencing the effects of Down Syndrome and their siblings age from birth to 18 within the United Kingdom.

The funds raised by FIA's Buddies is to bring a long-lasting difference to the lives of children with Down syndrome by the provision of resources for education, signposting to information and resources to support wellbeing and improve quality of life. By doing this encourage children to achieve their potential.

We have set up this go fund me to help kick start our community project of becoming a registered charity, in order to do this we must have an raised £5,000.

## Body safety matters

Helping your child understand boundaries and personal safety

### Keeping children safe starts with conversation

Talking about body safety can feel uncomfortable – but it's one of the most powerful ways to protect children. Children who understand their bodies, boundaries and rights are more confident and better equipped to speak up if something feels wrong.

You don't need a big formal talk – short, everyday chats work best.

Here are some simple conversation starters you can use:

- “Do you know what parts of your body are private?”
- “If someone made you feel uncomfortable, who would you tell?”
- “Has anyone ever asked you to keep a secret that made you feel funny or unsure?”
- “You’re allowed to say ‘no’ to hugs or kisses, even to family – how do you feel about that?”
- “What would you do if someone touched you in a way you didn’t like?”

Use natural moments (e.g. bath time, getting dressed, bedtime stories, a walk in the park) to bring up the topic gently. Keep your tone calm and reassuring. The goal is to help children feel safe, heard and empowered.

Reassure them: “*You can always talk to me about anything – I'll always listen and help.*”

### Don't forget the online world

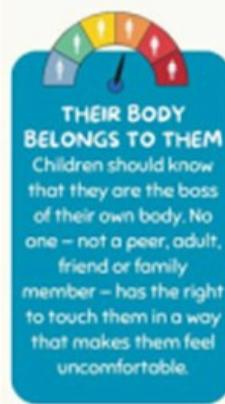

Even at primary age, many children play games or watch content online. It's important they know that body safety rules apply online too.

- Teach them never to share photos of their body, especially private parts.
- Make sure they know: if anyone asks them to do something that feels odd, secret or confusing online, they should tell you straight away.
- Talk about how some people online might pretend to be children when they're not.
- Use privacy settings and supervise young children during screen time.
- Remind them: “If something online makes you feel uncomfortable or unsure, it's never your fault. Just come and tell me.”

### How you can support at home

- 1) Use everyday moments to talk about safety.
- 2) Read books together on body safety.
- 3) Practice naming trusted adults they can go to if worried.
- 4) Reassure them: they will never be in trouble for telling the truth.

### WHAT CHILDREN NEED TO KNOW

#### THEIR BODY BELONGS TO THEM

Children should know that they are the boss of their own body. No one – not a peer, adult, friend or family member – has the right to touch them in a way that makes them feel uncomfortable.

#### PRIVATE PARTS ARE PRIVATE

Teach them the correct names for private body parts (e.g. penis, vagina, bottom). This helps remove shame and confusion – and makes it easier to report any concerns clearly.

#### THE 'NO, GO, TELL' RULE

If someone makes them feel unsafe or breaks a body boundary: Say “NO!” GO to a safe place TELL a trusted adult.

#### SAFE AND UNSAFE TOUCH

Help your child understand:  
Safe touch: hugs, holding hands if they want to  
Unsafe touch: touches that hurt, feel scary, confusing, or are kept secret.
