

Dear Parents and Guardians,

Dear Parents and Guardians,

It has been a very short week for pupils this week due to our INSET days, and we would like to thank you for your continued support in ensuring your child is in School every day. Regular attendance makes a real difference to children's learning and progress.

We would also like to take this opportunity to celebrate how smart the children have looked this week. It has been wonderful to see them taking pride in their appearance. It was especially lovely to welcome parents and carers into School for our Praise Assembly and to celebrate your child's achievements together. Your support and encouragement mean a great deal to the children and staff alike.

Next week is SATs week, and we would like to wish all of our Year 6 children the very best of luck. They have been working incredibly hard all year, and we are extremely proud of their effort, resilience, and determination.

We kindly ask parents and carers to be mindful that staff may not be as available as usual next week, as many will be involved in administering the tests and supporting pupils throughout the week.

We wish you all a lovely weekend and thank you, as always, for your continued support.

Nut Allergy

We have a child in School with a severe nut allergy, please do not send any food that contains nuts into School.

Next week we will be moving on to our new story 'The Owl who was Afraid of the Dark' by Jill Tomlinson. The children will be creating some interesting writing based on the story.

KS2 News

Although it has been a short week, we have still managed to fit so much into our learning across KS2. The children have been busy with guided reading, English, maths, SPaG, RSE, Geography, Science, PE, RE, music and DT, showing great enthusiasm and focus throughout.

Looking ahead, our Year 6 children will be sitting their KS2 National Curriculum tests next week. Please support them with any final revision over the weekend, while also making sure they get plenty of rest and eat well.

Our Year 4 children will also have their Multiplication Tables Check in the first few weeks of June. Don't forget there is a TTRS battle taking place this weekend—please encourage your child to join in, earn points for their class, and continue building their times tables fluency through regular practice at home.

PE

Years 3/4 - Mon (bring your kit) and Thurs (come to school wearing your kit)

Years 5/6 - Fri (bring your kit) and Wed (come to school wearing your kit)

When the children come to school in their PE kit they must wear their yellow PE top, green shorts / **black joggers** and their green Ashwood Park jumper or cardigan.

Hoodies and gilets are **not** permitted.

Ashwood Park uniform and PE Kit is available from **Totally Uniform** in Kingswinford.

Football Roundup

Over the last few weeks, our football teams have been in action and proudly representing Ashwood Park in fixtures against other local schools.

On **Thursday 23rd April**, the Year 6 Football Team played against Belle Vue Primary School in what proved to be a very tight and competitive game. Despite creating a number of chances and hitting the woodwork several times, Ashwood were unable to force an equaliser. The match finished with a narrow 1-0 win for Belle Vue. The team showed great determination and teamwork throughout.

On **Monday 27th April**, our Girls' Football Team took on Maidensbridge Primary School. This was one of the girls' first games representing Ashwood Park, and they worked incredibly hard, showing enthusiasm, resilience, and a real willingness to learn from the experience.

Both teams represented Ashwood Park exceptionally well, demonstrating positive attitudes, sportsmanship, and commitment. Well done to all pupils involved — we are very proud of you.

Body safety matters

Helping your child understand boundaries and personal safety

Keeping children safe starts with conversation

Talking about body safety can feel uncomfortable – but it's one of the most powerful ways to protect children. Children who understand their bodies, boundaries and rights are more confident and better equipped to speak up if something feels wrong.

You don't need a big formal talk – short, everyday chats work best.

Here are some simple conversation starters you can use:

- “Do you know what parts of your body are private?”
- “If someone made you feel uncomfortable, who would you tell?”
- “Has anyone ever asked you to keep a secret that made you feel funny or unsure?”
- “You're allowed to say 'no' to hugs or kisses, even to family – how do you feel about that?”
- “What would you do if someone touched you in a way you didn't like?”

Use natural moments (e.g. bath time, getting dressed, bedtime stories, a walk in the park) to bring up the topic gently. Keep your tone calm and reassuring. The goal is to help children feel safe, heard and empowered.

Reassure them: “You can always talk to me about anything – I'll always listen and help.”

Don't forget the online world

Even at primary age, many children play games or watch content online. It's important they know that body safety rules apply online too.

- Teach them never to share photos of their body, especially private parts.
- Make sure they know: if anyone asks them to do something that feels odd, secret or confusing online, they should tell you straight away.
- Talk about how some people online might pretend to be children when they're not.
- Use privacy settings and supervise young children during screen time.
- Remind them: “If something online makes you feel uncomfortable or unsure, it's never your fault. Just come and tell me.”

How you can support at home

- 1) Use everyday moments to talk about safety.
- 2) Read books together on body safety.
- 3) Practice naming trusted adults they can go to if worried.
- 4) Reassure them: they will never be in trouble for telling the truth.

WHAT CHILDREN NEED TO KNOW

THEIR BODY BELONGS TO THEM
Children should know that they are the boss of their own body. No one – not a peer, adult, friend or family member – has the right to touch them in a way that makes them feel uncomfortable.

PRIVATE PARTS ARE PRIVATE
Teach them the correct names for private body parts (e.g. penis, vagina, bottom). This helps remove shame and confusion – and makes it easier to report any concerns clearly.

THE 'NO, GO, TELL' RULE
If someone makes them feel unsafe or breaks a body boundary:
Say “NO”
GO to a safe place
TELL a trusted adult.

SAFE AND UNSAFE TOUCH
Help your child understand:
Safe touch: hugs, holding hands if they want to
Unsafe touch: touches that hurt, feel scary, confusing, or are kept secret.
