Early Years News

We have really enjoyed learning about all being healthy this week in Reception! The children have learned about healthy eating, exercise, keeping clean and oral hygiene. The children have all come home with a toothbrushing chart and information sheet to support brushing at home!

Welcome back for the final half term of the academic year!

KS1 News

This week we have enjoyed a fantastic Sports Day! The children were very excited to show off their sporting skills to their families and we had a lovely morning. The children were all rewarded with a tip top! We would like to thank all families and carers for supporting us to have such a great time.

We have also been working hard on our new topic in science and finding out about living things and their habitats.

Next week we will be starting the phonics check in Year 1 so the children can impress us with their phonic knowledge.

RBDC News

The RBDC star of the week for this week is, **Jeremy!** Well done for some fantastic reading. You have been really focused since coming back to school - keep it up!

In Acorns class, the children had their Sports Day on Tuesday. The weather was just right and the children had a wonderful time competing and being cheered on by their family members.

In Conkers class, the children have welcomed a new member of teaching staff who has made a really positive impression. The children have been learning to tell the time and have been picking it up very well - we're all very proud.

This week's signed video is naming furniture.

KS2 News

This week has been all about health and wellbeing.

In class, every year group has been exploring how to keep both our bodies and minds healthy. Upper KS2 pupils created worry dolls and took part in lessons focused on body confidence, while Lower KS2 enjoyed a Javelin and Shot-Put challenge alongside activities to build a growth mindset.

Our Year 5 and 6 children also welcomed a visit from our School Nurse, who helped them learn about body hygiene and puberty as part of their RSHE lessons.

It has been a fantastic week of learning, activity, and reflection for everyone.

PE

Years 3/4 - Mon (bring your kit) and Thurs (come to school wearing your kit)

Years 5/6 - Fri (bring your kit) and Wed (come to school wearing your kit)

When the children come to school in their PE kit they must wear their yellow PE top, green shorts / **black joggers** and their green Ashwood Park jumper or cardigan.

Hoodies and gilets are not permitted.

Ashwood Park uniform and PE Kit is available from **Totally Uniform** in Kingswinford.

Mufti Day

On Friday 22nd May we held a Mufti Day to raise funds for the Daniel Baird Foundation.

This charity works to raise awareness of the importance of having publicly accessible bleeding control packs available, which can help save lives in emergency situations.

You helped raise an amazing **£229.25**, thank you.

For more information about the Foundation, please visit their website:

<https://controlthebleed.org.uk/>

Thank you for your support.

TT Rockstars

1. Emily W 3/4D
2. Freya 4H
3. Thomas K 3/4D

Well done!

Thank you to those children who have been practising their times tables on TT Rockstars. Please log in regularly to play.

Water Safety

Water safety relies on active supervision, understanding environmental hazards, and knowing what to do in an emergency. Whether at the coast, a pool, or inland waters, following a few core principles can save lives. Take a look at these websites for excellent information and advice.

Body safety matters

Helping your child understand boundaries and personal safety

Keeping children safe starts with conversation

Talking about body safety can feel uncomfortable – but it's one of the most powerful ways to protect children. Children who understand their bodies, boundaries and rights are more confident and better equipped to speak up if something feels wrong.

You don't need a big formal talk – short, everyday chats work best.

Here are some simple conversation starters you can use:

- “Do you know what parts of your body are private?”
- “If someone made you feel uncomfortable, who would you tell?”
- “Has anyone ever asked you to keep a secret that made you feel funny or unsure?”
- “You're allowed to say 'no' to hugs or kisses, even to family – how do you feel about that?”
- “What would you do if someone touched you in a way you didn't like?”

Use natural moments (e.g. bath time, getting dressed, bedtime stories, a walk in the park) to bring up the topic gently. Keep your tone calm and reassuring. The goal is to help children feel safe, heard and empowered.

Reassure them: “You can always talk to me about anything – I'll always listen and help.”

Don't forget the online world

Even at primary age, many children play games or watch content online. It's important they know that body safety rules apply online too.

- Teach them never to share photos of their body, especially private parts.
- Make sure they know: if anyone asks them to do something that feels odd, secret or confusing online, they should tell you straight away.
- Talk about how some people online might pretend to be children when they're not.
- Use privacy settings and supervise young children during screen time.
- Remind them: “If something online makes you feel uncomfortable or unsure, it's never your fault. Just come and tell me.”

How you can support at home

- 1) Use everyday moments to talk about safety.
- 2) Read books together on body safety.
- 3) Practice naming trusted adults they can go to if worried.
- 4) Reassure them: they will never be in trouble for telling the truth.

WHAT CHILDREN NEED TO KNOW

THEIR BODY BELONGS TO THEM
Children should know that they are the boss of their own body. No one – not a peer, adult, friend or family member – has the right to touch them in a way that makes them feel uncomfortable.

PRIVATE PARTS ARE PRIVATE
Teach them the correct names for private body parts (e.g. penis, vagina, bottom). This helps remove shame and confusion – and makes it easier to report any concerns clearly.

THE 'NO, GO, TELL' RULE
If someone makes them feel unsafe or breaks a body boundary:
Say "NO"
GO to a safe place
TELL a trusted adult.

SAFE AND UNSAFE TOUCH
Help your child understand:
Safe touch: hugs, holding hands if they want to
Unsafe touch: touches that hurt, feel scary, confusing, or are kept secret.

depression, or stress**
